Commission Amount

\$212,201.00

Match Source(s)

See below for list of match sources

Match Amount

\$117,200.00

Pursuant to the terms and conditions of the Grant/Award, this Authorization:

Alaska Works Partnership Inc. (AWP) will continue to conduct outreach and deliver information and services to rural residents who are interested in careers in the construction trades and trade apprentice program through their Apprenticeship Outreach Project (AO). AWP AO project will provide assistance in all areas required for any of the trade apprentice programs in order to help make the applicant more successful. This includes assistance in application, interview, driver's license acquisition, and get connected to basic skills training courses so they can confidently go to work. In addition, AWP AO will bridge applicants to apprenticeship with support services such as travel assistance (airfare, housing, meals) that will enable them to attend interviews and/or attend training.

AWP AO will serve an estimated two hundred individuals who will contact AO to learn more about apprentice opportunities with approximately one hundred applying for apprenticeship and receiving services. Of the participants applying, AWP estimates that forty applicants will be successful and be accepted into a trade apprenticeship program. This equates to:

- Roughly 200 rural people will acquire knowledge of the construction trades career pathway and how to access the resources.
- Of the 200 exploring employment and training, roughly 100 will receive assistance and apply to an apprenticeship program.
- Of the 200 applicants, 40 will become registered apprentices. AWP has agreements with the apprenticeship sponsors committing to the employment of rural apprentices recruited by the Apprenticeship Outreach program.

AWP will match state funds for apprentice applicant's travel up to \$17,200 through local Job Centers and regional partners. An estimated \$2,500, initial apprentice training costs, is estimated per apprentice (40 X \$2,500) totaling \$100,000 of in-kind support will be provided by the participating apprenticeship sponsor.

## IN-PROGRESS

PLANNED START DATE: June 15, 2009

PLANNED END DATE: December 30, 2011

## CLOSE-OUT

PLANNED START DATE: January 1, 2012

PLANNED END DATE: March 31, 2012
